APPROVED: Network Structure

Recommended Role of Taskforce Chairs

In order for the taskforces to function at their optimum, I recommend that Taskforces select Taskforce Co-chairs and that the Taskforce Co-chairs become a Steering Committee and take on the following roles and responsibilities:

- Keep the Taskforce members focused and on task
- Ensure that all Taskforce members are heard and feel involved
- Maintain communication with all Taskforce members to ensure high attendance, commitment to task and team spirit
- Identify and forward potential names for new Taskforce members as needed
- Orient new Taskforce members prior to their 1st meeting
- Ensure that members and staff understand assignments to be accomplished in between meetings and report out findings
- Ensure that summary of Taskforce meetings are forwarded to staff and consultant
- Assist Network Consultant in setting agenda and resolving Network issues
- Represent Youth Network at public meetings

Note: All Taskforce groups will come prepared to the June Network meeting with their recommended Co-Chairs for approval.

The Network then went on to report out on their Action Plan work. Network broke up into their taskforce groups and submitted written feedback to the other taskforce groups for consideration. This ensures that all Network members review and have an opportunity for input into the entire plan each step along the way. Set Attachment: Action Plan 4/21/06

Next Network meeting: June 16, 2006 at 8:30 AM in the IBTD.
